

ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without the mentioning of the people whose constant guidance and encouragement made it possible.

We take pleasure in presenting before you, our project, which is result of studied blend of both research and knowledge.

We express our earnest gratitude to our project guide, Ms.Purnima Khuntia, Lecturer (CSE), Department of Computer science &Engineering, for her constant support, encouragement and guidance. We are grateful for her cooperation and his valuable suggestions. Also we are thankful to our H.O.D for motivation and encouragement for completing the project successfully.

Finally, we express our gratitude to all other members who are involved either directly or indirectly for the completion of this project.
